# The Vine Hotel

马德拉岛葡萄藤酒店

Location: Madeira, Portugal

Designer: Nini Andrade Silva, Ricardo Bofill

项目地点：葡萄牙马德拉岛

设计师：Nini Andrade Silva, Ricardo Bofill

We wanted to design the Vine Hotel with soul, just like a good wine. The most important element is what you feel upon arrival and the feeling of nostalgia upon departure. It was important to mix sophistication, luxury, with a touch of simplicity with regional themes and discretion. An invitation to relaxation creating the better mood to enjoy all the pleasures that the hotel has to offer: a panoramic pool, a vinotherapy session in the spa or a gourmet dinner with a view over the city. All gourmet meals are prepared by renowned chef Antoine Westermann who was awarded with 3 Michelin Stars. The bathrooms in particular were object of special attention. We wanted to give them the shape of a grape to offer the sensation of getting into one. With moulded ceilings, soft lighting and the baths covered with different materials and textures.

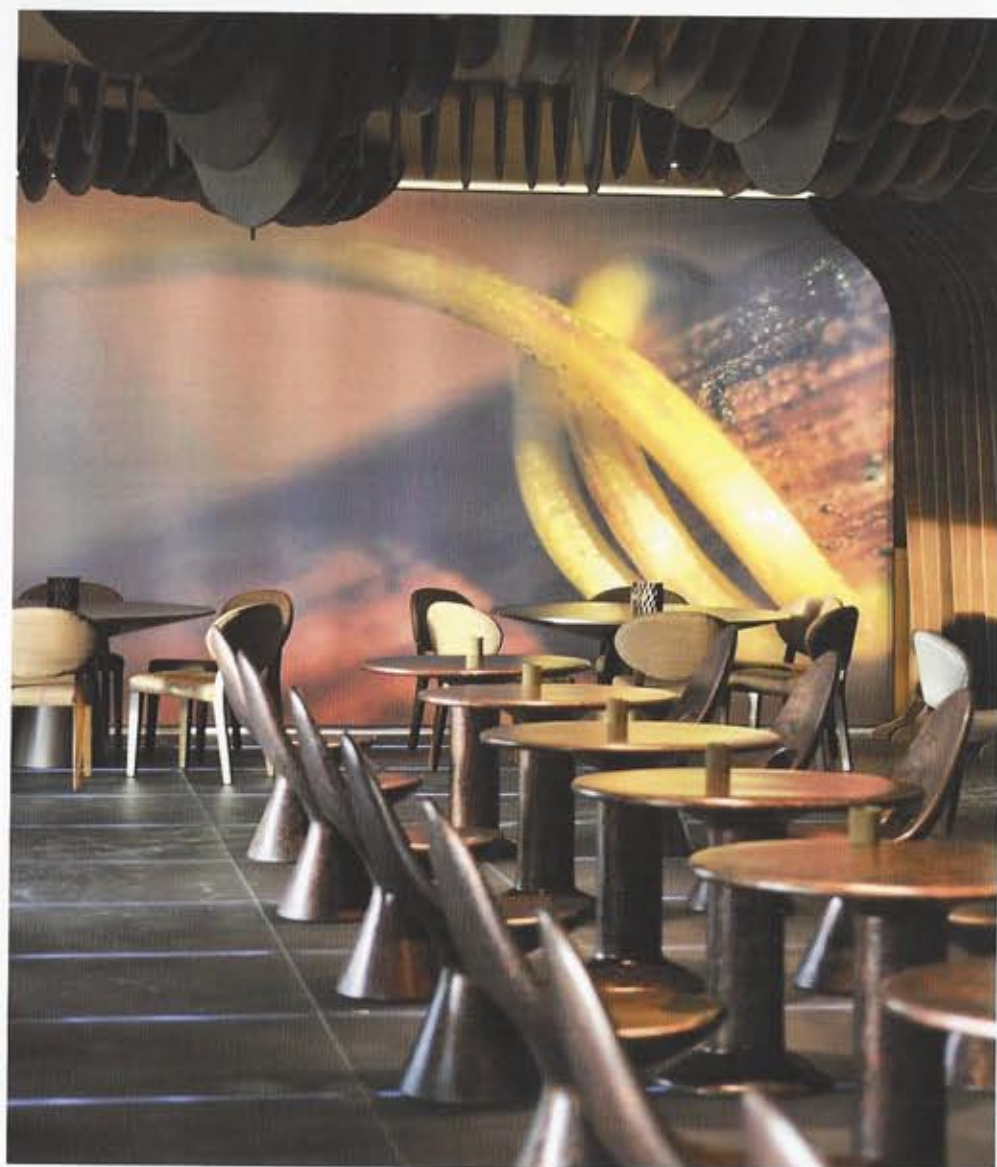

我们用酿造上好葡萄酒般的用心来设计葡萄藤酒店。这其中最重要的元素是你抵达酒店后的感受，以及离开时留恋的感觉。融精巧、豪华、些许简约、地方特色和严谨为一体非常重要，让顾客放松，心情更愉悦，才能享受到酒店带来的全景池、水疗中心的葡萄浆 SPA、美味的晚餐和城市全景等所有乐趣。所有美食都是由著名大厨安东尼·威斯特曼准备。他曾获得米其林 3 星荣誉。浴室尤其值得关注。通过浇筑的天花板、柔和的光线、浴缸表层不同的材质与纹理，我们希望客人进入浴室能感受到葡萄的形状。
