## 17 GERVASONI INOUT

New to Gervasoni's InOut collection are models 801 and 803. Designed by Paola Navone, the armchair and sofa both feature a matt white lacquered aluminium tubular frame woven with glossy white PVC and topped with polyurethane foam cushions. Gervasoni has also recently launched a new website for the contract market.

## 18 CANE-LINE CANE-LINE TEX

Cane-line has developed a new durable and weather-proof material that has been used throughout its 2011 collections. Cane-line Tex® is coated polyester that has been further developed to achieve the look of classic indoor furniture material. Together with the Quick Dry Foam®, Cane-line is able to create upholstered furniture that can remain outdoors all summer and which matches the comfort and design standards of indoor furniture.
